

Electrolux Professional

# Range Overview

## Facility Management Laundry

# A clean performance for your material assets

Save time and money and improve availability thanks to short processes, increased efficiency, long mop service life and optimal cleaning quality. In a nutshell: microfibre Excellence for highest hygiene standards.

## Electrolux Excellence

Excellence is central to everything we do. By anticipating our customers' needs, we strive for Excellence with our people, innovations, solutions and services. Thus making our customers' work and life easier and more profitable.

## Washer Extractor Control

ensures the best utility cost optimisation and customising

### Compass Pro®

- ▶ Flexible and customisable
- ▶ Up to 55 programs available of which 15 programmable
- ▶ Large, clear display in up to 18 languages
- ▶ Real-time clock
- ▶ Create custom Compass Pro® wash programs on your PC with Laundry Program Manager, then transfer them to machines via USB port
- ▶ 5 liquid detergent signals for automatic dosing
- ▶ Process monitoring via Certus Management™ Information System

### Clarus Control®

- ▶ Fully programmable with up to 194 programs for unparalleled versatility
- ▶ Create new programs directly on the Clarus Control® panel or on your PC with the Laundry Program Manager, then transfer them to machines via memory card
- ▶ Intelligent parameters save time, energy and water while delivering excellent wash and rinse results in every application
- ▶ 8 liquid detergent signals
- ▶ Process monitoring via Certus Management™ Information System

## Tumble Dryer Control

ensures the best flexibility and usability

### Compass Pro®

- ▶ Flexible and customisable
- ▶ Up to 55 programs available of which 15 programmable
- ▶ Large, clear display in up to 18 languages
- ▶ Real-time clock
- ▶ Create custom Compass Pro® programs on your PC with Laundry Program Manager, then transfer them to machines via USB port
- ▶ Process monitoring via Certus Management™ Information System

### Selecta Control®

- ▶ Accurate temperature/humidity control for quick, efficient drying
- ▶ Automatic inversion of drum rotation
- ▶ Automatic cooling cycle reduces creasing and improves finish
- ▶ 9 programs including exact temperature control and continuous high drying performance throughout the entire electronic cycle
- ▶ Select drying time, cooling and reverse action
- ▶ Continuous self-testing, displays and logs error codes for easy troubleshooting
- ▶ Process monitoring via Certus Management™ Information System

**Soft Mount machines** Direct installation on all types of floors  
**Solid Mount machines** Need to be fixed to the floor
